DETAILED ACTION

Allowable Subject Matter

1. Claims 1-36 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. For claims 1, 17, 18, 22, the reasons allowable are stated in the previous office action. For claims 1 and 30, applicant's invention combination including: "at least one through hole formed in the body with a shoulder adjacent on the through hole and a tip adjacent the first end of the pin, the tip having at least one bard construction to engage the body and overlies a portion of the shoulder adjacent to the through hole when the pin is formed into the through hole" is not taught by Zeigler or suggested other prior art.
4. Zeigler among other difference does not disclose all limitation as discussed above, therefore does not meet claims 1, 17, 18, 22, 30 limitations, which are basic to the invention, nor would inclusion of such feature be an obvious change.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
